Schedule No. 2

2. GENERAL POLICY CONDITIONS & PRIVILEGES

2.1 RESIDENCE, TRAVEL AND OCCUPATION

This Policy is free from all restrictions as to travel, residence and occupation, unless otherwise stated therein.

2.2 PROOF OF AGE

The Company reserves the right to require proof of age of the Life Assured/ Assurees (Spouse/ Children/ Parents) before making any payment under this Policy. If age has been inadvertently mis-stated, this alone shall not invalidate the Policy but an equitable adjustment shall be made to the premium and/or benefits under the Policy.

2.3 LAW & INTERPRETATION

- (i) This Policy shall be governed by the laws of Sri Lanka.
- (ii) Where the context admits any reference to the Life Assured includes reference to his or her personal representatives and the singular includes the plural, and vice versa.
- (iii) Any reference to the masculine gender shall also apply to the feminine gender and vice versa.
- (iv) The Additional Rider (Supplementary) Benefit applicable, as stated in the First Schedule to the Policy shall also be subject to the terms and conditions specified in the Schedules of such Supplementary Benefit.
- (v) In the event of any inconsistency between this Policy and its English and Tamil texts, the Sinhala text of this Policy shall prevail.
- (vi) All premiums and benefits under this Insurance are payable in lawful currency of Sri Lanka.
- (vii) To understand your rights and how your collected information is used, please visit our privacy policy on www.unionassurance.com/privacypolicy

2.4 PAYMENT OF PREMIUM / GRACE PERIOD

The following conditions apply to the payment of all premium contributions in respect of the benefits provided by this Policy;

- (i) All premium payments are payable on or before their relevant due dates. Premium shall be deemed to have been duly paid only when received by the Company's Head Office, any of the Branch Offices or other Institutions, and their Branch Offices, which are duly authorized by the Company to accept payment of premium.
- (ii) The official confirmation of receipt of the payment given by the company or any other institution duly authorized by the Company to accept payment of premium, is the only valid evidence of payment of premium.

- (iii) A Grace Period of Thirty (30) days from its relevant premium due date shall be allowed for payment of each premium after the first premium. The entire Policy and all coverage under this Policy shall automatically terminate after the Grace Period without the need for prior notification if any premium remains unpaid. During this Grace Period all of the benefits provided by this Policy shall continue.
- (iv) If applicable for Health benefits, premiums must be paid continuously during the term as stated in the Policy schedule. Upon discontinuation of premium payments, the health benefits provided under the Policy shall be automatically terminated and no further benefits shall be payable in respect of any such claims arising thereafter.

2.5 INVESTMENT ACCOUNT

The Company shall maintain an Individual Investment Account in respect of policies issued under this plan.

- (i) The premium paid for the Primary Benefit as described in the Part II of the First Schedule shall be credited to the Investment Account on the actual date paid, as per the allocation percentages given below, based on the Policy year to which the premium belongs to.

Premium Paying Term	Policy Year	Allocation Rate
03-year	1 st policy year	65%
	2 nd policy year	90%
	3 rd policy year	100%

Premium Paying Term	Policy Year	Allocation Rate
05-year	1 st policy year	60%
	2 nd policy year	90%
	3 rd policy year – 05 th Policy Year	100%

Premium Paying Term	Policy Year	Allocation Rate
07-year	1 st policy year	60%
	2 nd policy year	95%
	3 rd policy year – 07 th Policy Year	100%

- (ii) At the beginning of each calendar year the Company shall decide on an interim dividend rate which shall be used to accumulate the fund during the year. At the end of the calendar year the Company shall decide on the actual dividend rate for that year. The Company shall guarantee the interim rate decided at the beginning of the year as the minimum dividend rate for a given year.

(iii) The Investment Account shall be debited with the following charges;

- (a) A monthly risk premium for the cost of life cover provided under Primary Benefit in the part II of the First Schedule. The risk premium is calculated for the amount at risk, i.e. the difference between the Primary Benefit and the Investment Account and for the current age nearer birthday + 3 years of the Life Assured.
- (b) A monthly Fund Management Charge (FMC) of 1.25% per annum is levied on the Investment Account to cover investment, administration, acquisition and other services provided by the Company.

Refer to the Annexure II for mortality rates used in cost of life cover calculation.

2.6 ILLUSTRATED MATURITY BENEFIT

The Illustrated Maturity Benefits shown in the part II of the First Schedule are only illustrations of Accumulated Funds at the respective dividend rates and are intended to provide an indication of likely Maturity Benefits on the expiry date of the Primary Benefit. The Actual Maturity Value paid by the Company will depend on the actual dividends declared and the dates of payment of premium.

2.7 SURRENDER VALUE

The Policy shall acquire a Surrender Value on completion of Three (03) years from the date of commencement and after Three (03) years premiums have been paid. Any of the Supplementary Benefits stated in the First Schedule of the Policy, shall not acquire a Surrender Value.

The Surrender Value as determined by the Company, less any indebtedness to the Company, in respect of the Policy may be obtained by the person/s entitled to the Policy proceeds subject to the compliance with the Company's requirements. The payment of any premium subsequent to the surrender of the Policy shall not create any liability to the Company.

The Surrender Value will be calculated as follows.

Net Surrender Value = Investment account value at the date of surrender – Surrender Charge - Loan Outstanding (If applicable)

Surrender Charge is Calculated as follows.

Surrender Charge = Investment account value at the date of surrender x Surrender Charge %

Refer to the Annexure I for Surrender Charges.

2.8 PARTIAL WITHDRAWALS

On acquiring a Surrender Value as described 2.7 above and on completion of Ten (10) years duration from the Date of Commencement, Policy Holder may obtain Partial Withdrawal from the Investment Account subject to the following conditions.

- (i) Maximum partial withdrawal is limited to Twenty per centum (20%) of the investment account balance as at the date of receipt of the withdrawal request.
- (ii) Partial withdrawal is allowed only once during the entire policy term
- (iii) The Investment Account shall have a minimum balance of Rs. 100,000/- remaining subsequent to a withdrawal.

- (iv) If the value in the Investment Account is lesser than the Basic Sum Assured subsequent to a Partial Withdrawal, the Basic Sum Assured stated in the First Schedule will automatically reduce the value of the Investment Account at that time.
- (v) The amount withdrawn shall not be less than Rs. 25,000/-
- (vi) There shall be no charges for withdrawals from the Investment Account.

2.9 NON PAYMENT OF PREMIUM

If a premium is in default beyond the Grace Period the following conditions shall apply; up to

- (i) **If the Policy has not acquired a Surrender Value** then the Policy shall lapse and no further benefits shall become payable in respect of any claim arising after the date of lapse.
- (ii) **If the Policy has acquired a Surrender Value** as detailed in section 2.7 above, the Policy shall be converted to a Paid-up Policy and the Conditions and Privileges detailed in the section 2.10 below shall apply.

2.10 PAID-UP POLICIES AND NON FORFEITURE BENEFIT

The Company on written application by the person entitled to the Policy subject to such proof shall

Premium Paying Term	Paid Up Value Acquiring year
03 years	After completion of Two (02) years from the date of commencement and completion of Two (02) years of premium Payments
05 Years and 07 Years	After completion of Three (03) years from the date of commencement and completion of Three (03) years of premium Payments

convert the Policy to a Paid-up Policy at any time after completion of the premium payments and term specified in the below table.

The following privileges and conditions shall apply upon conversion whether it is on request or as stated in 2.9 (ii) above automatically.

- (i) The Investment Account shall continue to be credited with annual dividends and shall continue to be debited with charges. The Amount in the Investment Account shall be paid at Maturity or on prior death. However, if the date of death is within a period of One Hundred and Eighty (180) days from the due date of the first premium in default, then, the Primary Benefit or the Investment Account whichever is higher shall be payable subject to deduction of the arrears of premium.
- (ii) Additional Benefit provided under the Policy shall automatically terminate and no further benefit shall be payable in respect of any such claims arising after the date of conversion.

The payment or acceptance of any premium subsequent to the conversion shall not create any further liability, unless the Policy has been subsequently revived.

2.11 REVIVAL/REINSTATEMENT OF A LAPSED POLICY

A Policy which has lapsed or automatically become paid-up due to non-payment of premium may be revived/reinstated during the lifetime of the Life Assured before the final Premium payment due date for the Primary benefit of the Policy on the following terms.

- (i) Within six months from the due date of the first unpaid premium, on payment of the full arrears of premium.
- (ii) After six months from the due date of the first unpaid premium, on payment of all due premiums with re-instatement charges and upon submission of satisfactory medical evidence of the insurability of the life assured, at no cost to the company.

After completion of the Premium paying term for the Primary benefit, the revival/reinstatement of Supplementary health benefits will be restricted a period of one (1) year from the due date of last unpaid Premium.

However, revival / reinstatement of the policy / supplementary benefits shall be considered based on company's underwriting guidelines and the policyholder's insurability at that time.

2.12 POLICY ALTERATIONS

The Company may, at its sole discretion, consider requests of the of the Policy Holder for alterations to the Policy on such terms and conditions that it may deem necessary.

The Privileges and Conditions of this Policy cannot be waived or changed except by a Policy Endorsement duly approved and signed by an Authorized Officer of the Company.

2.13 DIVIDENDS

The Investment Account shall be credited with a dividend on 31st December each year. Dividends shall represent One Hundred percent (100%) of the distributable investment earnings arising from the proportion of the Company's Life fund attributable to the "Investment Account" as determined by the Company's Actuary.

2.14. PREMIUM TOP UP

After acquiring a surrender value, the Life Assured is given an option to pay up to a maximum of Two (02) top up premiums per policy year throughout the term of the Policy . Top Up Premiums shall be allowed only if the regular premiums for the Primary Benefit is paid up to date and policy is in force status. These Top Up premiums shall be credited to the Investment account at an allocation rate of Ninety Eight percent (98%).

The Minimum Top Up premium allowed at any single instance is Rupees Twenty Five Thousand (Rs. 25,000/-) and Primary benefit or Supplementary benefits provided under this policy shall not get increased due to Top Up Premiums.

The Company shall have the right to request additional financial information where deemed necessary with regards to top-up premiums, and based on the information obtained, the Company reserves the right to accept or reject the top-up premiums.

2.15 POLICY LOANS

Subject to production of satisfactory proof of title and on the security of the Policy, loans shall be granted on written application up to amounts not exceeding Ninety percent (90%) of the Surrender Value on such terms and conditions and rate of interest which the Company may fix from time to time. The terms and conditions of such loans shall be in accordance with the Company's standard loan agreement in force, at the time the loan is granted.

The Company may require the loan to be repaid within the policy term and if not repaid, the loans and any outstanding interest thereon shall be deducted from the amount/s payable under the Policy. If the total of Loan and any interest outstanding exceeds the Surrender Value of the policy due to non-payment of regular premiums and / or loan repayments, Policy will get automatically cancelled without any prior notice and the Company will recover the outstanding loan and interest amount utilizing the Surrender Value.

2.16 ASSIGNMENTS

Any assignment of this Policy shall not be binding upon the Company unless written notice of such assignment is received, recorded and acknowledged by the Company. Upon receipt of any written notice of assignment, the Company shall be entitled to require the production of all original documents for examination to the Company's satisfaction before recording such assignment. In recording assignment, the Company does not accept any responsibility or express any opinion of the contents as to its validity or legal effect.

2.17 NOMINATIONS

- (i) During the term of the Policy, the Life Assured may, by giving written notice satisfactory to the Company, appoint a nominee/s under this Policy or change any duly appointed nominee/s.
- (ii) Subject to the provisions of any law, a change of nominee shall be effective only after receiving a written request from the Assured and it is recorded and acknowledged by the Company.
- (iii) When the nominee is changed, the change shall be deemed effective from the date of the written notice. The receipt by the nominee of sums payable by the Company under this Policy shall constitute a valid discharge of the Company's liabilities under the Policy. Any acknowledgment of receipt by the nominee entitled thereto shall be conclusive proof of payment.
- (iv) If there is no nominee living at the time of the death of the Life Assured, then the amount payable shall be paid to the Assured or to the estate of the Life Assured.
- (v) Any assignment of this Policy shall have the effect of cancelling an appointment of the nominee. Upon re-assignment of the said Policy, the Policyholder shall be required to give written notice to the Company, to appoint a new nominee or re-appoint the previous nominee.
- (vi) The appointment of nominee shall only apply to benefits payable as a result of the death of the Life Assured.

2.19 SUICIDE

If the Life Assured commits suicide whether sane or insane within Twelve (12) calendar months from the Date of Commencement or the Date of Revival/Reinstatement of the Policy whichever shall be the later, the Policy shall become void except to the extent of the interest of third parties acquired by bona fide assignment for valuable consideration and written notice of such interest has been received and acknowledged by the Company prior to the date of death.

2.20 TOTAL EXCLUSION OF LIABILITY

The Company shall not be liable to make any payment under this Policy;

- (i) Where the death or accident complained of was occasioned by or had resulted from the active participation of the Life Assured whether directly or indirectly in, any wars and circumstances comparable with a state of war, act of terrorism, invasion, act by a foreign enemy, hostilities and war like events (with or without declaration of war), civil war, riot, mutiny, revolution, confiscation or nationalization by order of any public or local government or authority; any act of a person acting in the name of or in connection with any organization whose activities aim to overturn a de jure or de facto government violently; and/or
- (ii) Where the death or accident complained of was occasioned as a result of any action taken by any member of the armed or police forces whilst attempting to quell such war, rebellion, insurrection, mutiny or terrorist activity or whilst attempting to arrest or apprehend the Life Assured in connection with his/her direct or indirect participation or involvement in any such war, rebellion, riot, insurrection, mutiny or terrorist activity; and/or
- (iii) Where the Life Assured has failed to make a full and frank disclosure of all facts in the proposal, declaration and/or in any other documents/applications related to required under this Policy; and/or
- (iv) Where the claim has been made fraudulently or dishonestly; and/or
- (v) Where the Life Assured has breached any Law; and/or
- (vi) Injuries resulting in an assault provoked by the Life Assured or resisting an arrest being a party to a criminal act.

Whenever the Company disclaims liability under this clause the burden of proving that the death or accident complained of was not occasioned or did not result from any of the acts or events stipulated above shall be on the person/s claiming any benefit under this Policy.

2.21 FORFEITURE OF PREMIUM

If the liability under this Policy is repudiated on the grounds of non-disclosure and/or any untrue or incorrect averment is contained in the proposal and declaration or in any other subsequent documentation, which is provided in terms of this contract, this Policy shall be void and all premiums that have been paid under and in terms of this Policy shall be forfeited.

2.22 MISSING PERSONS

Where the death of the Life Assured is sought to be established on the basis of a presumption generated in circumstances where he/she had not been heard of for a period of one (01) year by those who would have naturally heard of him/her if he/she had been alive, no money shall become due under the Policy until the expiry of a period of seven (07) years computed from the time when the Life Assured had ceased to be heard of.

2.23 RIGHT OF CANCELLATION

This Policy may be cancelled by the Life Assured or the Assured by returning the Policy document to the Company within Twenty One (21) days from the Date of receipt of the policy. In the event of such cancellation, the Company shall refund (Known as cooling off period /Free look period) all premium paid after recovering the cost incurred for medical examinations and/or laboratory investigations.

However, if a policy is cancelled after Twenty One (21) days from the Date of receipt of the policy, there shall be no payment made, other than the Surrender Value if acquired.

2.24 INCONTESTABILITY

After the Policy has been in force for a period of Two (02) years from the date of its commencement, last revival or reinstatement whichever is later, the Company will not contest the validity of this Policy unless there is proof to the effect that the Assured or the Life Assured made fraudulent statements of a material nature to induce the Company in to forming a contract under this Policy with the Assured or the Life Assured.

2.25 TAXATION

The Company is entitled to make such deductions which, in its option, are necessary and appropriate, from the fund and from any of the benefits receivable under the Insurance on account of any tax or other payment which may be imposed by any legislation, order or regulation or otherwise upon the Company, Policy Owner, Nominee or Claimant.

- Pancreas Partial or full face, hand, arm and leg transplantation (composite tissue allograft transplantation) is covered under this definition, too. The condition leading to transplantation must be deemed untreatable by any other means, as confirmed by a Specialist.

For the above definition, the following are not covered:

- Transplantation of other organs, body parts or tissues (including cornea and skin)
- Transplantation of other cells (including islet cells and stem cells other than hematopoietic)

(VII) PARALYSIS

Total and irreversible loss of muscle function to the whole of any 2 limbs as a result of injury to, or disease of the spinal cord or brain. Limb is defined as the complete arm or the complete leg.

Paralysis must be present for more than 3 months, confirmed by a Consultant Neurologist and supported by clinical and diagnostic findings.

For the above definition, the following are not covered:

- Paralysis due to self-harm or psychological disorders
- Guillain-Barré-Syndrome
- Periodic or hereditary paralysis

(VIII) BLINDNESS (LOSS OF SIGHT)

Profound vision loss of both eyes resulting from either disease or trauma that cannot be corrected by refractive correction, medication, or surgery. Profound vision loss is evidenced by either a visual acuity of 3/60 or less (0.05 or less in the decimal notation) in the better eye after best correction or a visual field of less than 10° diameter in the better eye after best correction. The diagnosis must be confirmed by a Consultant Ophthalmologist.

(IX) HEART VALVE SURGERY

The undergoing of surgery to replace or repair one or more defective heart valves. The following procedures are covered under this definition:

- Heart valve replacement or repair with full sternotomy (vertical division of the breastbone), partial sternotomy or thoracotomy
- Ross-Procedure
- Catheter-based valvuloplasty
- Transcatheter aortic valve implantation (TAVI)

The surgery must be determined to be medically necessary by a Consultant Cardiologist or Cardiac Surgeon and supported by echocardiogram or cardiac catheterisation findings.

For the above definition, the following are not covered:

- Transcatheter mitral valve clipping

(X) SURGERY OF THE DISEASE OF THE AORTA

The undergoing of surgery to treat narrowing, obstruction, aneurysm or dissection of the aorta. Minimally invasive procedures like endovascular repair are covered under this definition. The surgery must be determined to be medically necessary by a Consultant Surgeon and supported by imaging findings.

For the above definition, the following are not covered:

- Surgery to any branches of the thoracic or abdominal aorta (including aortofemoral or aortoiliac bypass grafts)
- Surgery of the aorta related to hereditary connective tissue disorders (e.g. Marfan syndrome, Ehlers–Danlos syndrome)

Surgery following traumatic injury to the aorta

(XI) MULTIPLE SCLEROSIS

Definite diagnosis of multiple sclerosis, which must be confirmed by a Consultant Neurologist and supported by all of the following criteria:

- Current clinical impairment of motor or sensory function, which must have persisted for a continuous period of at least 6 months
- Magnetic resonance imaging (MRI) showing at least two lesions of demyelination in the brain or spinal cord characteristic of multiple sclerosis

For the above definition, the following are not covered:

- Possible multiple sclerosis and neurologically or radiologically isolated syndromes suggestive but not diagnostic of multiple sclerosis
- Isolated optic neuritis and neuromyelitis optica

(XII) ANGIOPLASTY

Coronary Angioplasty is defined as percutaneous coronary intervention by way of balloon angioplasty with or without stenting for treatment of the narrowing or blockage of minimum 50 % of one or more major coronary arteries. The intervention must be determined to be medically necessary by a cardiologist and supported by a coronary angiogram (CAG).

Coronary arteries herein refer to left main stem, left anterior descending, circumflex and right coronary artery.

Diagnostic angiography or investigation procedures without angioplasty/stent insertion are excluded.

(XIII) APALLIC SYNDROME

A vegetative state is absence of responsiveness and awareness due to dysfunction of the cerebral hemispheres, with the brain stem, controlling respiration and cardiac functions, remaining intact. The definite diagnosis must be evidenced by all of the following:

- Complete unawareness of the self and the environment
- Inability to communicate with others
- No evidence of sustained or reproducible behavioural responses to external stimuli
- Preserved brain stem functions
- Exclusion of other treatable neurological or psychiatric disorders with appropriate neurophysiological or neuropsychological tests or imaging procedures.

The diagnosis must be confirmed by a Consultant Neurologist and the condition must be medically documented for at least one month without any clinical improvement.

(XIV) BENIGN BRAIN TUMOUR

A definite diagnosis of a benign brain tumour, which is defined as a non-malignant growth of tissue located in the cranial vault and limited to the brain, meninges or cranial nerves.

The tumour must be treated with at least one of the following:

- Complete or incomplete surgical removal
- Stereotactic radiosurgery
- External beam radiation

If none of the treatment options is possible due to medical reasons, the tumour must cause a persistent neurological deficit, which has to be documented for at least 3 months following the date of diagnosis.

The diagnosis must be confirmed by a Consultant Neurologist or Neurosurgeon and supported by imaging findings.

For the above definition, the following are not covered:

- The diagnosis or treatment of any cyst, granuloma, hamartoma or malformation of the arteries or veins of the brain
- Tumours of the pituitary gland

(XV) CHRONIC LIVER DISEASE

A definite diagnosis of severe liver disease evidenced by a Child-Pugh score of at least 7 points (Child-Pugh Class B or C). The score must be calculated by all of the following variables:

- Total bilirubin levels
- Serum albumin levels
- Severity of ascites
- International normalized ratio (INR)
- Hepatic encephalopathy

The diagnosis must be confirmed by a Consultant Gastroenterologist and supported by imaging findings.

For the above definition, the following are not covered:

- Severe liver disease secondary to alcohol or drug use (including hepatitis B or C infections acquired by intravenous drug use)

(XVI) CHRONIC LUNG DISEASE

A definite diagnosis of severe lung disease resulting in chronic respiratory failure and evidenced by all of the following:

- FEV1 (Forced Expiratory Volume at 1 second) being less than 40% of predicted on 2 occasions at least 1 month apart
- Treatment with oxygen therapy for at least 16 hours per day for a minimum of three months
- Persistent reduction in partial oxygen pressures (PaO₂) below 55mmHg (7.3 kPa) in arterial blood gas analysis measured without administration of oxygen

The diagnosis must be confirmed by a Specialist

(XVII) COMA

A definite diagnosis of a state of unconsciousness with no reaction or response to external stimuli or internal needs, which:

- results in a score of 8 or less on the Glasgow coma scale for at least 96 hours,
- requires the use of life support systems, and
- results in a persistent neurological deficit which must be assessed at least 30 days after the onset of the coma.

The diagnosis must be confirmed by a Consultant Neurologist.

For the above definition, the following are not covered:

- Medically induced coma

- Any coma due to self-inflicted injury, alcohol or drug use

(XVIII) DEAFNESS (LOSS OF HEARING)

A definite diagnosis of a permanent and irreversible loss of hearing in both ears as a result of sickness or accidental injury. The diagnosis must be confirmed by a Consultant ENT specialist and supported by an average auditory threshold of more than 90 db at 500, 1000 and 2000 hertz in the better ear using a pure tone audiogram.

(XIX) FULMINANT VIRAL HEPATITIS

A definite diagnosis of fulminant viral hepatitis evidenced by all of the following:

- Typical serological course of acute viral hepatitis
- Development of hepatic encephalopathy
- Decrease in liver size
- Increase in bilirubin levels
- Coagulopathy with an international normalized ratio (INR) greater than 1.5
- Development of liver failure within 7 days of onset of symptoms
- No known history of liver disease

The diagnosis must be confirmed by a Consultant Gastroenterologist.

For the above definition, the following are not covered:

- All other non-viral causes of acute liver failure (including paracetamol or aflatoxin intoxication)
- Fulminant viral hepatitis associated with intravenous drug use

(XX) LOSS OF SPEECH

A definite diagnosis of the total and irreversible loss of the ability to speak as the result of physical injury or disease. The condition has to be present for a continuous period of at least 6 months. The diagnosis must be confirmed by a Consultant ENT Specialist.

For the above definition, the following are not covered:

- Loss of speech due to psychiatric disorders

(XXI) MAJOR BURNS

Burns that involve destruction of the skin through its full depth to the underlying tissue (third degree burns) and covering at least 20% of the body surface as measured by “The Rule of Nines” or the “Lund and Browder Chart”. The diagnosis must be confirmed by a Specialist.

For the above definition, the following are not covered:

- Third-degree burns due to self-inflicted injury
- Any first- or second-degree burns

(XXII) MOTOR NEURONE DISEASE

A definite diagnosis of one of the following motor neurone diseases :

- Amyotrophic lateral sclerosis (ALS or Lou Gehrig's disease)
- Primary lateral sclerosis (PLS)
- Progressive muscular atrophy (PMA)
- Progressive bulbar palsy (PBP)

The disease must result in a total inability to perform, by oneself, at least 3 out of 6 Activities of Daily Living for a continuous period of at least 3 months with no reasonable chance of recovery.

Activities of Daily Living are:

- Washing – the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means.
- Getting dressed and undressed – the ability to put on, take off, secure and unfasten all garments and, if needed, any braces, artificial limbs or other surgical appliances.
- Feeding oneself – the ability to feed oneself when food has been prepared and made available.
- Maintaining personal hygiene – the ability to maintain a satisfactory level of personal hygiene by using the toilet or otherwise managing bowel and bladder function.
- Getting between rooms – the ability to get from room to room on a level floor.
- Getting in and out of bed – the ability to get out of bed into an upright chair or wheelchair and back again.

The diagnosis must be confirmed by a Consultant Neurologist and supported by nerve conduction studies (NCS) and electromyography (EMG).

For the above definition, the following are not covered:

- Multifocal motor neuropathy (MMN) and inclusion body myositis
- Post-polio syndrome
- Spinal muscular atrophy

(XXIII) MUSCULAR DYSTROPHY

A definite diagnosis of one of the following muscular dystrophies:

- Duchenne Muscular Dystrophy (DMD)
- Becker Muscular Dystrophy (BMD)
- Emery-Dreifuss Muscular Dystrophy (EDMD)
- Limb-Girdle Muscular Dystrophy (LGMD)
- Facioscapulohumeral Muscular Dystrophy (FSHD)
- Myotonic Dystrophy Type 1 (MMD or Steinert's Disease)
- Oculopharyngeal Muscular Dystrophy (OPMD)

The disease must result in a total inability to perform, by oneself, at least 3 out of 6 Activities of Daily Living for a continuous period of at least 3 months with no reasonable chance of recovery.

Activities of Daily Living are:

- Washing – the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means.

- Getting dressed and undressed – the ability to put on, take off, secure and unfasten all garments and, if needed, any braces, artificial limbs or other surgical appliances.
- Feeding oneself – the ability to feed oneself when food has been prepared and made available.
- Maintaining personal hygiene – the ability to maintain a satisfactory level of personal hygiene by using the toilet or otherwise managing bowel and bladder function.
- Getting between rooms – the ability to get from room to room on a level floor.
- Getting in and out of bed – the ability to get out of bed into an upright chair or wheelchair and back again.

The diagnosis must be confirmed by a Consultant Neurologist and supported by electromyography (EMG) and muscle biopsy findings.

For the above definition, the following are not covered:

- Myotonic dystrophy and other forms of myotonia

(XXIV) PULMONARY ARTERIAL HYPERTENSION

A definite diagnosis of primary pulmonary hypertension evidenced by all of the following:

- Marked limitation of physical activities where less than ordinary activity causes fatigue, palpitation, breathlessness or chest pain (Class III or IV of the New York Heart Association classification) over a period of 3 months
- Mean pulmonary artery pressure of more than 25 mmHg at rest measured by right heart catheterisation

The diagnosis must be confirmed by a Consultant Cardiologist or Lung Specialist.

For the above definition, the following are not covered:

- Pulmonary hypertension secondary to lung, heart, or systemic disease
- Chronic thromboembolic pulmonary hypertension (CTEPH)
- Drug- or toxin-induced pulmonary hypertension

(XXV) ALZHEIMER'S DISEASE (BEFORE AGE 65)

A definite diagnosis of Alzheimer's disease evidenced by all of the following:

- Loss of intellectual capacity involving impairment of memory and executive functions (sequencing, organizing, abstracting, and planning), which results in a significant reduction in mental and social functioning.
- Personality change
- Gradual onset and continuing decline of cognitive functions
- No disturbance of consciousness
- Typical neuropsychological and neuroimaging findings (e.g. CT scan)

The disease must require constant supervision (24 hours daily) [before age 65]. The diagnosis and the need for supervision must be confirmed by a Consultant Neurologist.

For the above definition, the following are not covered:

Other forms of dementia due to brain or systemic disorders or psychiatric conditions

(XXVI) AMYOTROPHIC LATERAL SCLEROSIS

A definite diagnosis of amyotrophic lateral sclerosis. The disease must result in a total inability to perform, by oneself, at least 3 out of 6 Activities of Daily Living for a continuous period of at least 3

months with no reasonable chance of recovery.

Activities of Daily Living are:

- Washing – the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means.
- Getting dressed and undressed – the ability to put on, take off, secure and unfasten all garments and, if needed, any braces, artificial limbs or other surgical appliances.
- Feeding oneself – the ability to feed oneself when food has been prepared and made available.
- Maintaining personal hygiene – the ability to maintain a satisfactory level of personal hygiene by using the toilet or otherwise managing bowel and bladder function.
- Getting between rooms – the ability to get from room to room on a level floor.
- Getting in and out of bed – the ability to get out of bed into an upright chair or wheelchair and back again.

The diagnosis must be confirmed by a Consultant Neurologist and supported by nerve conduction studies (NCS) and electromyography (EMG).

For the above definition, the following are not covered:

- Other forms of motor neurone disease
- Multifocal motor neuropathy (MMN) and inclusion body myositis
- Post-polio syndrome
- Spinal muscular atrophy
- Polymyositis and dermatomyositis

(XXVII) APLASTIC ANAEMIA

A definite diagnosis of aplastic anaemia resulting in severe bone marrow failure with anaemia, neutropenia and thrombocytopenia. The condition must be treated with blood transfusions and, in addition, with at least one of the following:

- Bone marrow stimulating agents
- Immunosuppressants
- Bone marrow transplantation

The diagnosis must be confirmed by a Consultant Haematologist and evidenced by bone marrow histology

(XXVIII) ENCEPHALITIS

A definite diagnosis of acute viral encephalitis resulting in a persistent neurological deficit documented for at least 3 months following the date of diagnosis. The diagnosis must be confirmed by a Consultant Neurologist and supported by typical clinical symptoms and cerebrospinal fluid or brain biopsy findings.

For the above definition, the following are not covered:

- Encephalitis in the presence of HIV
- Encephalitis caused by bacterial or protozoal infections
- Myalgic or paraneoplastic encephalomyelitis

(XXIX) MAJOR HEAD TRAUMA

A definite diagnosis of a disturbance of the brain function as a result of traumatic head injury. The head trauma must result in a total inability to perform, by oneself, at least 3 out of 6 Activities of Daily

Living for a continuous period of at least 3 months with no reasonable chance of recovery.

Activities of Daily Living are:

- Washing – the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means.
- Getting dressed and undressed – the ability to put on, take off, secure and unfasten all garments and, if needed, any braces, artificial limbs or other surgical appliances.
- Feeding oneself – the ability to feed oneself when food has been prepared and made available.
- Maintaining personal hygiene – the ability to maintain a satisfactory level of personal hygiene by using the toilet or otherwise managing bowel and bladder function.
- Getting between rooms – the ability to get from room to room on a level floor.
- Getting in and out of bed – the ability to get out of bed into an upright chair or wheelchair and back again.

The diagnosis must be confirmed by a Consultant Neurologist or Neurosurgeon and supported by typical imaging findings (CT scan or brain MRI).

For the above definition, the following are not covered:

- Any major head trauma due to self-inflicted injury, alcohol or drug use

(XXX) MEDULLARY CYSTIC DISEASE

A definite diagnosis of medullary cystic disease evidenced by all of the following:

- Ultrasound, MRI or CT scan showing multiple cysts in the medulla and corticomedullary region of both kidneys
- Typical histological findings with tubular atrophy, basement membrane thickening and cyst formation in the corticomedullary junction
- Glomerular filtration rate (GFR) of less than 40 ml/min (MDRD formula)

The diagnosis must be confirmed by a Consultant Nephrologist.

For the above definition, the following are not covered:

- Polycystic kidney disease
- Multicystic renal dysplasia and medullary sponge kidney
- Any other cystic kidney disease

(XXXI) PARKINSON'S DISEASE – BEFORE AGE 65

A definite diagnosis of primary idiopathic Parkinson's disease, which is evidenced by at least two out of the following clinical manifestations:

- Muscle rigidity
- Tremor
- Bradykinesia (abnormal slowness of movement, sluggishness of physical and mental responses)

Idiopathic Parkinson's disease must result [before age 65] in a total inability to perform, by oneself, at least 3 out of 6 Activities of Daily Living for a continuous period of at least 3 months despite adequate drug treatment.

Activities of Daily Living are:

- Washing – the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means.
- Getting dressed and undressed – the ability to put on, take off, secure and unfasten all garments and, if needed, any braces, artificial limbs or other surgical appliances.
- Feeding oneself – the ability to feed oneself when food has been prepared and made available.
- Maintaining personal hygiene – the ability to maintain a satisfactory level of personal hygiene by using the toilet or otherwise managing bowel and bladder function.
- Getting between rooms – the ability to get from room to room on a level floor.
- Getting in and out of bed – the ability to get out of bed into an upright chair or wheelchair and back again.

The diagnosis must be confirmed by a Consultant Neurologist.

The implantation of a neurostimulator to control symptoms by deep brain stimulation is, independent of the Activities of Daily Living, covered under this definition. The implantation must be determined to be medically necessary by a Consultant Neurologist or Neurosurgeon.

For the above definition, the following are not covered:

- Secondary parkinsonism (including drug- or toxin-induced parkinsonism)
- Essential tremor
- Parkinsonism related to other neurodegenerative disorders

(XXXII) SYSTEMIC LUPUS ERYTHEMATOSUS

A definite diagnosis of systemic lupus erythematosus evidenced by all of the following:

- Typical laboratory findings, such as presence of antinuclear antibodies (ANA) or anti-dsDNA antibodies.
- Symptoms associated with lupus erythematosus (butterfly rash, photosensitivity, serositis)
- Continuous treatment with corticosteroids or other immunosuppressants.

Additionally, one of the following organ involvements must be diagnosed:

- Lupus nephritis with proteinuria of at least 0.5 g/day and a glomerular filtration rate of less than 60 ml/min (MDRD formula)
- Libman-Sacks endocarditis or myocarditis
- Neurological deficits or seizures over a period of at least 3 months and supported by cerebrospinal fluid or EEG findings. Headaches, cognitive and psychiatric abnormalities are specifically excluded.

The diagnosis must be confirmed by a Consultant Rheumatologist or Nephrologist.

For the above definition, the following are not covered:

- Discoid lupus erythematosus or subacute cutaneous lupus erythematosus
- Drug-induced lupus erythematosus

(XXXIII) SEVERE RHEUMATIC ARTHRITIS

A definite diagnosis of rheumatoid arthritis evidenced by all of the following:

- Typical symptoms of inflammation (arthralgia, swelling, tenderness) in at least 20 joints over a period of 6 weeks at the time of diagnosis

- Rheumatoid factor positivity (at least twice the upper normal value) and/or presence of anti-citrulline antibodies
- Continuous treatment with corticosteroids
- Treatment with a combination of “Disease Modifying Anti-Rheumatic Drugs” (e.g. methotrexate plus sulfasalazine/leflunomide) or a TNF inhibitor over a period of at least 6 months.

The diagnosis must be confirmed by a Consultant Rheumatologist.

For the above definition, the following are not covered:

Reactive arthritis, psoriatic arthritis and activated osteoarthritis

(XXXIV) POLIOMYELITIS

A definite diagnosis of acute poliovirus infection resulting in paralysis of the limb muscles or respiratory muscles. The paralysis must be medically documented for at least 3 months from the date of diagnosis.

The diagnosis must be confirmed by a Consultant Neurologist and supported by laboratory tests proving the presence of the poliovirus.

For the above definition, the following are not covered:

- Poliovirus infections without paralysis
- Other enterovirus infections
- Guillain-Barré syndrome or transverse myelitis

(XXXV) TERMINAL ILLNESS

A life assured shall be regarded as terminally ill only if that life assured is diagnosed or suffering from an advanced or rapidly progressing disease condition which in the opinion of two independent medical practitioners’ specializing in treatment of such illness, is not curable and will lead to death within 6 months. The insured must no longer receive active treatment other than that of palliative therapy (reducing the severity of disease symptoms). Terminal illness due to AIDS is excluded. The terminal illness must be diagnosed and confirmed by medical practitioners’ registered with the Sri Lanka Medical Council and approved by the Company.

(XXXVI) CARDIOMYOPATHY

A definite diagnosis of one of the following primary cardiomyopathies:

- Dilated Cardiomyopathy
- Hypertrophic Cardiomyopathy (obstructive or non-obstructive)
- Restrictive Cardiomyopathy
- Arrhythmogenic Right Ventricular Cardiomyopathy

The disease must result in at least one of the following:

- Left ventricular ejection fraction (LVEF) of less than 40% measured twice at an interval of at least 3 months.
- Marked limitation of physical activities where less than ordinary activity causes fatigue, palpitation, breathlessness or chest pain (Class III or IV of the New York Heart Association classification) over a period of at least 6 months.
- Implantation of an Implantable Cardioverter Defibrillator (ICD) for the prevention of sudden cardiac death

The diagnosis must be confirmed by a Consultant Cardiologist and supported by echocardiogram, cardiac MRI or cardiac CT scan findings.

The implantation of an Implantable Cardioverter Defibrillator (ICD) must be determined to be medically necessary by a Consultant Cardiologist.

For the above definition, the following are not covered:

- Secondary (ischaemic, valvular, metabolic, toxic or hypertensive) cardiomyopathy
- Transient reduction of left ventricular function due to myocarditis
- Cardiomyopathy due to systemic diseases
- Implantation of an Implantable Cardioverter Defibrillator (ICD) due to primary arrhythmias (e.g. Brugada or Long-QT-Syndrome)

(XXXVII) LOSS OF LIMBS

A definite diagnosis of complete severance of two or more limbs at or above the wrist or ankle joint as the result of an accident or medically required amputation. The diagnosis has to be confirmed by a Specialist.

For the above definition, the following are not covered:

- Loss of limbs due to self-inflicted injury

(XXXVIII) NECROTISING FASCIITIS

A definite diagnosis of necrotising fasciitis evidenced by all of the following:

- Progressive, rapidly spreading bacterial infection located in the deep fascia, with secondary necrosis of the subcutaneous tissues of the limbs or trunk
 - Fever and rapid increase in C-reactive protein (CRP) levels
 - Surgical resection of all necrotic tissue
- fournier's gangrene is covered under this definition. The diagnosis must be confirmed by a Consultant Surgeon and evidenced by microbiological or histological findings.

For the above definition, the following are not covered:

- Gas gangrene
- Gangrene caused by diabetes, neuropathy or vascular diseases

(XXXIX) LOSS OF INDEPENDENT EXISTENCE

A definite diagnosis [before age 65] of a total inability to perform, by oneself, at least 3 out of 6 Activities of Daily Living for a continuous period of at least 3 months with no reasonable chance of recovery.

Activities of Daily Living are:

- Washing – the ability to wash in the bath or shower (including getting into and out of the bath or shower) or wash satisfactorily by other means.
- Getting dressed and undressed – the ability to put on, take off, secure and unfasten all garments and, if needed, any braces, artificial limbs or other surgical appliances.
- Feeding oneself – the ability to feed oneself when food has been prepared and made available.
- Maintaining personal hygiene – the ability to maintain a satisfactory level of personal hygiene

by using the toilet or otherwise managing bowel and bladder function.

- Getting between rooms – the ability to get from room to room on a level floor.
- Getting in and out of bed – the ability to get out of bed into an upright chair or wheelchair and back again. The diagnosis has to be confirmed by a Specialist.

3.2.4 RIGHT OF THE COMPANY TO REVISE PREMIUM AND TERMS AND CONDITIONS

The premium payable for this Benefit is guaranteed only for a period of One (01) year from the Date of Commencement this Benefit. The Company reserves the right to revise the premium rates and/or alter the terms and conditions applicable at every policy anniversary. Such change shall be implemented only after Thirty (30) days notice has been given to the Policy holder and, shall be effective from the Policy Anniversary subsequent to the notice.

3.2.5 NOTICE OF CHANGE OF OCCUPATION

Any substantial change in the occupation and nature of duties of the Life Assured must be intimated to the Company within Fourteen (14) days of such change and the Benefit under this Rider need to get re-approved by the Company. The Company shall not be liable in respect of any claim, which may arise whilst the Life Assured is engaged in any occupation substantially different to that provided in the Proposal/Application form and/or Declaration of Health.

3.2.6 NOTICE AND PROOF OF CLAIM

The Company should be served with written notice of critical illness upon which a claim may be based and such notice must be given to the Head Office or the nearest branch of the Company together with the then address and the present place of residence of the Life Assured/spouse, at least within a period of Thirty (30) days from the date of sustaining such illness. Failure to give notice within such time shall give the Company a right not to entertain such claim. The evidence for proof of Critical illness has to be submitted to the Company without any expenses to the Company.

3.2.7 CONDITIONS

- (i) This Suwamaga Benefit shall expire;
 - (a) On the expiry date of this benefit as stipulated in the Part II of the First Schedule or
 - (b) on the Policy Anniversary, following the 70th birthday of the Life Assured, whichever happens earlier; and/or
 - (c) On the first instance of diagnosis or surgery of any of the Critical Illnesses listed during the currency of the Policy, irrespective of whether the benefit is paid and/or the benefit amount.
- (ii) This Rider Benefit shall lapse on expiry of the Thirty (30) days grace period if the premium remains unpaid.
- (iii) The Suwamaga Benefit shall terminate if the main policy is terminated.
- (iv) This Rider Benefit shall not;
 - (a) Participate in profits or
 - (b) Acquire a surrender value, paid-up value or a maturity value.

- (v) A Critical Illness must be diagnosed by a specialist medical practitioner and must be supported by clinical and other reports acceptable to the Company.
- (vi) The Company reserves the right to appoint a specialized medical practitioner or practitioners to examine the Life Assured/s who has been diagnosed as suffering from a Critical Illness.
- (vii) If the death of Life Assured, occurs within Thirty (30) days of the diagnosis of a critical Illness covered, the amount payable/paid under this benefit will be deducted from the amount payable under the Primary Benefit Life Cover indicated in the Part II of the First Schedule.
- (viii) After a claim has been paid for a Critical Illness, the Life Assured shall continue the payment of premium for the other benefits, if the Life Assured is alive.
- (ix) An assignee, nominee or beneficiary shall not have the right to receive any payments arising from a claim under the benefits provided in this schedule.
- (x) The maximum benefit amount payable on all policies taken by an individual for this Benefit from the Company is limited to Rupees Five Million (Rs.5,000,000) and the maximum amount that can be claimed from all insurances taken from any insurer is limited to Rupees Ten Million(Rs. 10,000,000).
- (xi) The spouse shall have no authority to nominate a beneficiary to receive this benefit or assign this benefit to another party during the lifetime of the Life Assured.
- (xii) The cover against Angioplasty shall only come into effect if this benefit has been obtained prior to the 55th birthday of the Life Assured/s.

3.2.8 EXCLUSIONS APPLICABLE FOR THIS BENEFIT

The Company shall not be liable to make any payment under Suwamaga Benefit, if the illness of the Life Assured is occurred directly or indirectly due to;

- (i) Lesions resulting from attempted suicide or intentional self-infliction; and/or
- (ii) Illnesses or accidents caused by excessive ingestion of alcoholic drinks, drugs or hallucinogens(alcoholism and drug dependency) including driving while drunk (accidents occurring when the blood alcohol level is above the legally permitted level); and/or
- (iii) Pre-existing conditions unless they have been declared by the Life Assured/Spouse on the proposal form/individual application form, in the health declaration section and accepted by the company in writing, on or before to the policy affirmation date, as detailed on the policy or in another amendment of the company; and/or
- (iv) An accident while engaged in aviation or aeronautics in any capacity other than that of a fare paying passenger of a recognized airline, the Life Assured having at that time no duties on board the aircraft or requiring descent there from; and/or
- (v) War and circumstances comparable with a state of war, invasion, act by a foreign enemy, hostilities and warlike events (with or without a declaration of war), civil war, riot, mutiny, revolution, confiscation or nationalization by order of any public or

local government or authority; any act of a person acting in the name of or in connection with any organization whose activities aim to overturn a de jure or de facto government violently; and/or

- (vi) Naval or military operations of the armed forces or air force and participation in operations requiring the use of arms or which are ordered by military authorities for combating terrorists, rebels and the like; and/or
- (vii) Hazardous activities, including but not limited to scuba diving, motorcycling, parachuting, hang-gliding, rock or mountain climbing, racing of any kind other than on foot, rafting, bungee jumping, potholing; or any sports in a professional capacity unless otherwise agreed in writing by the Company; and/or

Specimen

Schedule No. 3.2.2

3.2.2 HOSPITAL CASH BENEFIT (HCB/HCC)

3.2.2.1 KEY PURPOSE AND COVERAGE

Hospital Cash Benefit (HCB) shall be applicable if included in this policy and shown the Part II of the in the First Schedule to this Policy.

The Daily Hospital Cash Benefit shall become operative if the Life Assured hospitalized for more than Forty Eight (48) hours continuously as a result of an illness or accident, on the recommendation and approval of a doctor, in a private or government hospital subject to the general terms and conditions of the Policy and the specific terms and conditions set out below.

The amount payable shall be the Daily Hospital Cash Benefit Sum Assured multiplied by the number of complete days hospitalized.

In the event that the Life Assured is required to be treated in the Intensive Care Unit for medical conditions warranting such treatment as recommended by a specialist, the Daily Hospital Cash Benefit Sum Assured will be doubled for the duration in the Intensive Care Unit.

3.2.2.2 WAITING PERIOD

The Hospital Cash Benefit shall commence Ninety (90) days after the

- (i) Date of Commencement of the Benefit; or
- (ii) Date of Policy; or
- (iii) Date of Revival/Reinstatement of Policy; or
- (iv) Hundred and Eighty (180) days from the date of inclusion if the Benefit is included subsequently

whichever is later.

The Company may waive off the waiting period in the event of hospitalization required due to Accidents occurred after the

- (i) Date of Commencement of the Benefit; or
- (ii) Date of Policy; or
- (iii) Date of Revival/Reinstatement or
- (iv) Date of inclusion

whichever is later.

3.2.2.3 RIGHT OF THE COMPANY TO REVISE PREMIUM AND TERMS AND CONDITIONS

The premium payable under Hospital Cash Benefit shown in the Part II of the First Schedule is guaranteed only for a period of One (01) year from the date of Commencement of this benefit. The Company reserves the right to revise the premium rates or alter the terms and conditions applicable to this benefit at every policy anniversary, after Thirty (30) days notice has been given to the Policy holder and, such revision of premium and/or the terms and conditions shall be effective from the next Policy Anniversary.

3.2.2.4 NOTICE OF CHANGE OF OCCUPATION

Any substantial change in the occupation and nature of duties of the Life Assured must be intimated to the Company within Fourteen (14) days of such change and the Benefit under this Rider need to get re-approved by the Company. The Company shall not be liable in respect of any claim, which may arise whilst the Life Assured is engaged in any occupation substantially different to that provided in the Proposal/Application form and/or Declaration of Health.

3.2.2.5 NOTICE AND PROOF OF CLAIMS

Written notice in case of a hospitalization on which the claim may be based and which is covered by this benefit must be given to the Company's Head Office or the nearest branch within Three (03) working days after the occurrence from the date of admission to the Hospital. Failure to give notice within such time shall give the Company a right not to entertain such claim.

The Company shall, upon receipt of such notice, furnish the Assured such forms as are usually required for the filing of proof of claims. The forms must be delivered to the Company within Ten (10) working days from the date of issue of such forms by the Company. Affirmative proof of hospitalization must be submitted to the Company not later than Thirty (30) days from the occurrence date of discharge from the Hospital and at the expense of the Assured.

The Life Assured must carefully follow all the instructions issued by the physician responsible for treatment and must provide the Company with full information concerning the circumstances of the treatments.

The Assured or successors must allow visits by the Company's experts and any enquiries considered necessary by the Company, for which purpose the experts who have visited and attended the Company shall be released from the obligation to maintain professional secrecy.

If the duration of stay in the hospital exceeds Fourteen (14) days, the decision to pay for the period in excess of Fourteen (14) days in hospital shall be determined by a medical examiner nominated by the Company whose decision shall be final and conclusive. In this regard any clinical, radiological, and histological and laboratory evidence required by the Company should be provided at the expense of the Assured.

Once the claim has been established, i.e. the described procedure has been satisfactorily completed the Company shall pay the benefit, subject to the terms, conditions, and exclusions of the Policy.

3.2.2.6 CONDITIONS

- (i) The Hospital Cash Benefit shall expire;

3.2.4.2 (II) BENEFIT MULTIPLIER

If no claim has been made under Union Smart Health Premier Benefit for a full policy year and the policy is kept in force by paying due premium continuously for the policy year within the grace period, the Company may apply Benefit Multiplier, by automatically increasing Twenty Five Percent (25%) of the Union Smart Health Premier Benefit Sum Assured for the next policy year.

The maximum limit of this additionally accumulated sum assured under Benefit Multiplier is One Hundred Percent (100%) of the Union Smart Health Premier Benefit Sum Assured.

In the event a claim is made in a policy year upon applying the Benefit Multiplier, then the Sum Assured accumulated shall automatically decrease by Twenty Five Percent (25%) of Union Smart Health Premier Benefit sum assured in the following Policy Year. However, this reduction will not reduce the Sum Assured below the initial Sum Assured of Union Smart Health Premier Benefit shown in the Part II of the First Schedule.

3.2.4.2 (III) BENEFIT REVIVAL

In case of complete exhaustion of the annual Sum Assured limit of Union Smart Health Premier Benefit and the sum assured accumulated under Benefit Multiplier, the Company shall grant Benefit Revival once in a policy year provided that the reason for hospitalization is not directly or indirectly related to any of the preceding causes of hospitalization. In any Policy Year, the Benefit Revival shall provide an additional cover up to a maximum of One Hundred Percent (100%) of the initial Union Smart Health Premier Benefit Sum Assured and the balance sum Assured of this benefit shall not be carried forward to the subsequent policy year.

3.2.4.2 (IV) PRE-AND POST HOSPITALIZATION BENEFIT

The medical expenses relevant to the disease/illness/injury that result in hospitalization, incurred during a period up to Thirty (30) days prior and Thirty (30) days after hospitalization shall be considered as part of a claim admissible under Union Smart Health Premier Benefit. The amount reimbursed under pre-and post-hospitalization is subject to a maximum limit of Five Percent (5%) of the Union Smart Health Premier Benefit Sum Assured per Annum and payable for the expenses incurred during the period of pre-and post-hospitalization

3.2.4.2 (V) DAILY HOSPITAL CASH BENEFIT & EXPENSES RELATED TO DIAGNOSTIC TESTS / PHARMACY

In the event of hospitalization at a non-paying ward of a Government Hospital for more than Twenty Four (24) hours continuously and if the claim is being admissible, the following benefits shall be payable;

- The Daily Hospital Cash Benefit, which is Point Five Percent (0.5%) of the Union Smart Health Premier Benefit Sum Assured up to a maximum of LKR 20,000/- per day multiplied by the number of days hospitalized, subject to a maximum of 30% of the Union Smart Health Premier Benefit Sum Assured per policy year; and / or
- Reimbursement of expenses related to Diagnostic tests and Pharmacy incurred during hospitalization and prescribed by the Treating Doctor for the condition due to which covered person is hospitalized subject to the maximum of Seventy Percent (70%) of the Union Smart Health Premier Benefit Sum Assured per policy year.

3.2.4.2 (VI) ORGAN DONOR EXPENSES

The benefit under the hospitalization of an organ donor category covers expenses related to hospitalization of a donor for the purpose of donating an organ. This benefit is payable only in case the hospitalization claims of the organ recipient (the Donee, who is also a Member covered under this benefit) is admissible under the policy terms and conditions and accordingly the benefit with respect to the Donor is payable. This Benefit is not payable for any monetary transaction for an organ but pays for expense incurred by the donor for hospitalization due to surgery for removal of an organ which is being donated to the recipient Member covered under this Union Smart Health Premier benefit.

Per day benefit shall not be applicable if the said organ donor is hospitalized in a non-paying government hospital. Any payment made under the Hospitalization of an organ donor category shall be considered as a payment made within the Benefit Amount. Schedule No. 3.2.5

3.2.5 TOTAL AND PERMANENT DISABILITY BENEFIT DUE TO AN ACCIDENT OR SICKNESS (TPS)

3.2.5.1 KEY PURPOSE AND COVERAGE

The Total and Permanent Disability Benefit due to an Accident or Sickness (TPS) shall be applicable if included in this policy and shown in the Part II of the First Schedule to this Policy.

Sum Assured indicated under Total and Permanent Disability Benefit due to an Accident or Sickness in the First Schedule, shall become payable if the Life Assured;

- (i) becomes Totally and Permanently Disabled due to an Accident or Sickness; and
- (ii) such Disability lasts for more than One Hundred and Eighty (180) days and thereafter admitted as Total and Permanently Disabled; and
- (iii) is unable to follow any occupation or profession to earn a living.

The payment shall be made in Five (05) equal yearly installments, the first installment being payable on the date of admission of liability on such Disability and subsequent installments on each policy anniversary following the disability.

If the policy results in a claim due to death or maturity before completion of all installments the sum of unpaid installments shall be paid with the claim.

The Total and Permanent Disability Benefit due to an Accident or Sickness is subject to the general terms and conditions of the Policy and the specific terms and conditions set out below.

3.2.5.2 WAITING PERIOD

There shall be no liability admitted on a sickness/illness causing disability occurred within Thirty (30) days from the

- (i) Date of Commencement of the Benefit; or
- (ii) Date of Policy; or
- (iii) Date of Revival/Reinstatement of Policy; or
- (iv) Hundred and Eighty (180) days from the date of inclusion if the Benefit is included subsequently; whichever is later.

3.2.5.3 RIGHT OF THE COMPANY TO REVISE PREMIUM AND TERMS AND CONDITIONS

The premium payable for this Benefit is guaranteed only for a period of One (01) year from the Date of Commencement of this Benefit. The Company reserves the right to revise the premium rates and/or alter the terms and conditions applicable at every policy anniversary. Such change shall be implemented only after Thirty (30) days notice has been given to the Policy holder and, shall be effective from the Policy Anniversary subsequent to the notice.

3.2.5.4 NOTICE OF CHANGE OF OCCUPATION

Any substantial change in the occupation and nature of duties of the Life Assured must be intimated to the Company within Fourteen (14) days of such change and the Benefit under this Rider need to get re-approved by the Company. The Company shall not be liable in respect of any claim, which may arise whilst the Life Assured is engaged in any occupation substantially different to that provided in the Proposal/Application form and/or Declaration of Health.

3.2.5.5 NOTICE AND PROOF OF CLAIMS

The Company should be served with written notice of any injury or sickness upon which a claim may be based and such notice must be given to the Head Office or nearest branch of the Company together with the then address and the present place of residence of the Life Assured, at least within a period of Sixty (60) days from the date of sustaining such injury or sickness. Failure to give notice within such time shall give the Company a right not to entertain such claim. The evidence for proof of disability has to be submitted to the Company without any expenses to the Company.

3.2.5.6 PROOF OF CONTINUOUS DISABLEMENT

Though proof of Total and Permanent Disablement is accepted as satisfactory by the Company, the Company shall be entitled to demand, at reasonable intervals from the Life Assured proof of the continuance of such disability at his/her expense. If the Life Assured fails to furnish such proof, and/or if the Life Assured gains the ability to perform any work or engage in any occupation/profession to earn or obtain any wages, compensation or profit, the Company shall discontinue the installment payment.

3.2.5.7 CONDITIONS

- (i) For the consideration of benefits, such Total and Permanent Disability due to an Accident or Sickness should occur;
 - (a) Before the expiry date of this benefit as stipulated Part II of the First Schedule;
or
 - (b) Before the Policy Anniversary following the 70th birthday of the Life Assured;
whichever happens earlier.
- (ii) This Rider Benefit shall lapse on expiry of the Thirty (30) days grace period if the premium remains unpaid. The Company reserves the right to decline the reinstatement or revival of this Benefit. If the Benefit is reinstated or revived, the waiting period shall be applicable from the date of reinstatement/revival.
- (iii) The Total and Permanent Disability Benefit due to an Accident or Sickness shall terminate if the main policy is terminated.
- (iv) This Rider Benefit shall not;
 - (a) Participate in profits or
 - (b) Acquire a surrender value, paid-up value or a maturity value.
- (v) An assignee, nominee or beneficiary shall not have the right to receive any payments arising from a claim under the benefits provided in this schedule.

- (vi) The maximum benefit amount that can be claimed by an individual from all insurances taken from any Insurer covering Total and Permanent Disability, is limited to Rupees Fifty Million (Rs. 50,000,000/-).
- (vii) If the Company has already admitted liability under Limited Pay Extended Partial Permanent Disability Benefit (LPEPD) under this Policy, the amount already paid for the Life Assured under Limited Pay Extended Partial Permanent Disability Benefit (LPEPD) shall be deducted from the amount payable to the same Life Assured under this benefit.

3.2.6.2 (II) BENEFIT MULTIPLIER

If no claim has been made under Union Health 360Benefit for a full policy year and the policy is kept in force by paying due premiums continuously for the policy year within the grace period, the Company may apply Benefit Multiplier, by automatically increasing Twenty Five Percent (25%) of the Basic Annual Sum Assured of Union Health 360Benefit for the next policy year.

The maximum limit of this additionally accumulated Sum Assured under Benefit Multiplier is One Hundred Percent (100%) of the Basic Annual Sum Assured of Union Health 360Benefit subject to a maximum of Rupees One Hundred Million (Rs. 100,000,000/-)

In the event a claim made from any Individual or a family member within the family floater plan in a policy year upon applying the Benefit Multiplier, then the Sum Assured accumulated shall automatically decrease by Twenty Five Percent (25%) of Union Health 360Benefit sum assured in the following Policy Year. However, this reduction will not reduce the Sum Assured below the Basic Annual Sum Assured of Union Health 360Benefit shown in the Part II of the First Schedule.

In the event of a Sum Assured reduction during the term of the benefit, the accumulated multiplier benefit will also get reduced proportionately to the reduced Basic Annual Sum Assured of Union Health 360. The Benefit limits specified under Routine Dental Benefit, Maternity Benefit, , Critical Illness reimbursement Benefit and Routine Optical Benefit in the Table of Benefit in section 3.15.2.2(I) will not be increased due to the application of Benefit Multiplier.

3.2.6.2 (III) BENEFIT REVIVAL

In case of a complete exhaustion of the Basic Annual Sum Assured limit of Union Health 360 Benefit and the sum assured accumulated under Benefit Multiplier, the Company shall grant Benefit Revival once in a policy year provided that the reason for hospitalization is not directly or indirectly related to any of the preceding causes of hospitalization. In any Policy Year, the Benefit Revival shall provide an additional cover up to a maximum of One Hundred Percent (100%) of the Basic Annual Sum Assured of Union Health 360Benefit and the balance sum Assured of this benefit shall not be carried forward to the subsequent policy year.

The Benefit Revival is applicable for all covers except Routine Dental Benefit, Maternity Benefit, Critical Illness reimbursement Benefit, Wellbeing cover and Routine Optical Benefits.

3.2.6.2 (IV) PRE-AND POST HOSPITALIZATION BENEFIT

The medical expenses relevant to the disease/illness/injury that result in hospitalization, incurred during a period up to Thirty (30) days prior and Thirty (30) days after hospitalization shall be considered as part of a claim admissible under Union Health 360Benefit. The pre-post hospitalization benefit is payable only if the hospitalization claim is admissible. The amount reimbursed under pre-and post-hospitalization is subject to a maximum limit of Five Percent (5%) of the Union Health 360Benefit Sum Assured per Annum and payable for the expenses incurred during the period of pre-and post-hospitalization.

3.2.6.2 (V) DAILY HOSPITAL CASH BENEFIT & EXPENSES RELATED TO DIAGNOSTIC TESTS /PHARMACY
